

Year 8, 9 and 10 Stationery and Book Requirements for 2019

Attached are the subject specific requirements for Years 8, 9 and 10 students. Make sure all books and folders are labelled with your child's name and class on the front cover and covered with contact to protect them. Students are advised to have a separate book for each subject.

Bring your own device (BYOD) laptops should be brought to school fully charged each day and the charter followed by students.

It is a school expectation students come to school with pens, pencils and books as not all work is completed on laptops.

All students should come to school with a school bag e.g. backpack. Handbags or shoulder bags are not school bags and should not be brought to school as such students are unable to bring the required pencil case and books to lessons. A back pack will provide more back support for students rather than shoulder bags or handbags, if worn correctly over both shoulders.

Every student should have the following basic stationery requirements in a pencil case for every lesson.

- At least two blue or black pens
- A red pen
- A 30cm ruler
- Two lead pencils (HB or 2B)
- An eraser
- Glue stick
- A pencil sharpener
- A highlighter pen
- A calculator: Casio FX 82AU PLUS II Models (Can be purchased from Maths Dept.)

A school diary will be provided to Year 7 students. It is encouraged that all other students purchased a diary. Diaries can be purchased from the uniform shop or students can organise an electronic diary on their BYOD.
