

Sports Academy Frequently Asked Questions

How do I know if my child is an IN AREA or OUT OF AREA student for Narrabeen Sports High School?

The easiest way to tell if your child is IN AREA or OUT OF AREA is to check the map below or check with your local primary school. If your primary residential address falls within the blue outlined area you are a local Narrabeen Sports High student and will be accepted into the school. This map is a basic guide and certain streets and even the house next door can fall in an out of area location. <https://schoolfinder.education.nsw.gov.au/>

If you are an out of area student your primary residential address falls outside the blue outlined area and you will have to trial for one of the 9 Sports Academy Programs.

What does it mean if my child is 'OUT OF AREA'?

Out of area students must meet the selection criteria below to be accepted into the school.

Criteria for Selection Year 6 into 7 out of area enrolment

1. Student nominates for and participates in sport trial
2. The student's 2 most recent school reports are provided to be used in the enrolment panel process
3. Applicants will be vetted by a panel as part of the selection process
4. Applicants will be notified of panel outcome

Students out of area year 7 Semester 2 onwards

1. All applicants must submit an academy application form with their 2 most recent reports.
2. Background checks will be undertaken from previous school
3. Applicants will be vetted by a panel as part of the selection process
4. If successful through the panel, the applicant will complete a trial for their selected sport
5. Applicants may be interviewed by the School Principal

What does it mean if my child is 'IN AREA', can they still participate in the Sports Academy?

Yes. IN AREA students will be accepted at Narrabeen Sports High School. IN AREA students will still need to trial for their selected sports however, if they are not selected in their chosen sport they will still be able to attend Narrabeen Sports High School as a local student.

What if my child isn't successful in their selected sport?

If your child is an IN AREA student they will be accepted at Narrabeen Sports High School as a local student and attend 3rd elective classes.

If your child is an OUT OF AREA student and doesn't get accepted into their chosen sport they will need to attend their local high school. For some sports where it is extremely hard to get into the selective Sports Academy i.e. Surfing, Swimming (where numbers are capped due to teacher student safety ratios) we will also select on future potential and your child will be accepted to attend Narrabeen Sports High School and placed on a waiting list.

Can you trial for more than one sport?

Yes - we encourage all students to grasp as many opportunities as possible before and during their schooling at Narrabeen Sports High School. Please note that students can only trial for TWO sports.

What level does my child need to be competing at in order to trial for a Sports Academy?

Due to the Sports Academy being so popular, spots are becoming increasingly competitive to secure in some sports. Whilst we encourage athletes to trial for the sport they are passionate about, successful applicants are typically at a representative level.

2023 Sports Academy Trials

SPORT	DATE	DETAILS	VENUE
AFL	30/3/23	10am-10:45am	NSHS Front Oval
Basketball	30/3/23	10am-11am	NBISC Indoor Courts
Cricket	21/3/23	9.30am-10.30am	Lake Park Cricket Nets
Dance	21/3/23	10am-10:45am	NSHS Hall
*Football	21/3/23 28/3/23	10am-11.30am	NSHS Synthetic Oval
Netball	23/3/23	10am-10:45am	NIBISC Indoor Courts
*All Codes	23/3/23 30/3/23	10am-11:30am	NSHS Back Oval

Swimming	28/3/23	9.30am-10.30am	Aquatic Achievers Warriewood

* Due to an increase in the number of trialists we have two dates provided to give a fair assessment of all students. Students, both boys and girls must attend both trial dates.

How do I change my preferences to come to Narrabeen?

You can change your preferences by contacting your local primary school and putting Narrabeen Sports High School as your number 1 preference.

What does the Academy cost?

\$620.00 per semester (2 terms) for my child in Years 7 to 10 and \$360 per semester (2 terms)

in Years 11 & 12 for Membership in the Academy Developing or Emerging Athlete Program.

Sports Academy Fees are payable **in advance** & will be invoiced prior to the start of each semester.

A \$220 deposit is required to secure your child's position within the Academy. This needs to be paid once they have been accepted into the Academy. Should you change your mind about sending your child to our school **this deposit will be forfeited**. All deposits will be applied against the first semester's invoice.

These fees will cover all school based coaching/teacher expenses, mentoring/seminar costs and the cost of one (1) Sports Academy polo shirt. (There may be additional costs for excursions or competitions or traveling expenses). There will be an additional cost for swimmers for pool entry & bus travel of \$200.00 per semester. Surfers will pay an additional \$100.00 per semester for bus travel back to school.

If you have any questions not found on here, please phone the school on 9913 7820 or Email narrabeen-h.school@det.nsw.edu.au
